Hello,

I am selling gorgeous Pond Hockey Christmas and Greeting Note Cards to help raise funds for my child's hockey team.

These cards feature unique, heart-warming images of young hockey players enjoying their game in the great outdoors. Profits from the sale of these cards goes to support kids' hockey and to help them learn more about the fastest, most exciting game of all.

And, you'll be glad to know that a portion of the proceeds goes to local Children's Hospitals through the Children's Miracle Network.

[www.childrensmiracletnetwork.ca](http://www.childrensmiracletnetwork.ca) in Canada and [www.childrensmiracletnetwork.org](http://www.childrensmiracletnetwork.org) in the US

These beautiful, high quality cards come 10 to a pack along with 10 envelopes.

They cost \$20.00 per package of 10 cards and I will arrange to get them to you after I receive payment.

Your friends, family and colleagues will love them. They'll be pleased to send them out to all their friends, family and associates, knowing that they are supporting two great causes!

Please see below for all the cards that you will receive in your assorted packs. Let me know how many packages you would like to order.

Warmest regards and thanks for your support.
