SEASON'S GREETINGS

The Spectator – Mary G. Smith

I found a new and unique fund raising opportunity. It's quick and easy, and I think it could work well for your team(s), particularly as your Fall fundraiser.

The product is beautiful, high quality Pond Hockey Greeting Cards. Each team sells the cards and keeps the profit. Your team(s) could easily make between \$500 to \$2000 + in a short period of time.

These cards feature unique, heart-warming images of young hockey players enjoying their game in the great outdoors.

Your players and their families sell these card packs for \$20 and keep \$10 for each pack sold. (Shipping is extra). Team Fundraising Kits are free for the asking (downloadable) and there is no upfront risk or cost. They even have an emailable one-page flyer featuring all of the images ready to send your friends, family and associates.

For further info go to www.gameongreetings.com

You'll also be glad to know that a portion of the proceeds goes to our local Children's Hospital through the Children's Miracle Network

www.childrensmiraclenetwork.ca in Canada and

www.childrensmiraclenetwork.org in the US

Please see the 10 greeting card images that will come in the packs.
